

FastCopy ***CD/DVD***

The Ideal Desktop Duplicator

Features:-

- Simple Operation
- Standalone System
- Auto Format Detection
- Self System Diagnostics When Power On

- User Friendly Interface With Message Rich LCD Display
- CD to CD Copying
- Optional Hard Drive
- Firmware Upgradeable
- 60 Full CD's Per Hour (3 Drive) Approx.
140 Full CD's Per Hour (7 Drive) Approx.

The FastCopy duplicators come complete with three or seven writers and one high speed reader. CD only models copy at 52X whilst the dual media versions copy CD's at 40X and DVD at 16X.

FastCopy systems are fully self contained CD-R/DVD-/+R standalone duplicators. No PC host is needed.

The FastCopy controller incorporates auto format detection so you just put in the master CD/DVD and press 'Go'. It couldn't be easier. Most commercial data and audio formats are supported and the optional verify and compare routine means you can easily carry out your quality control checks.

Four simple push buttons together with an LCD display make it easy to select any of the FastCopy functions.

Optional Hard Drive:-

If you require, the FastCopy CD can be supplied with an internal hard disk. This will allow users to store a number of master images for instant retrieval.
