

Print Factory III CD/DVD Printer

Lower Cost Per Disc

Features:-

- Print a large number of discs, fast, easy and hands-free,
- Fully integrated automated printer.
- Software Included.

- Up to 4800 x 1200dpi.
- 100 disc capacity
- USB2.0
- Hub Printable for maximum image coverage
- Fewer moving parts
- Connect up to 5 PF-3 printers to a single PC

The Print Factory III is low-cost, fast way to print CDs, DVDs, Blu-ray and HD-DVD discs automatically.

Connecting to your computer with a single USB cable, the PF-3 features a low-cost, full-colour, full-coverage printing solution.

Using HP printing innovations, the PF-3 produces amazingly high-quality, professional discs with the highest resolution (4800 x 1200 dpi) on the market.

The PF-3 also boasts the fastest print engine, producing text/graphics in less than twenty seconds.

It's 100-disc capacity hopper allows for 100% unattended printing.

Included with the PF-3 is SureThing Label design software (Windows 2000 & Windows XP). For maximum productivity, up to five PF-3 Print Factory can be connected to a single computer.

Microboards recommends Taiyo Yuden media for use with all disc printers & publishers.
