

# TreCorder®

The rugged portable forensic lab PC which images 3 drives Simultaneously.

The TreCorder® portable forensic lab is the ultimate solution for field based investigations. Built into a rugged portable chassis the TreCorder® comes as standard with the ability to simultaneously copy up to three hard drives at a speed of 2GB per minute per drive.

\* The Tableau T3458is is the only forensic write-blocker on the market to combine native support for IDE, SATA, USB and SCSI hard disks. The T3458is uses FireWire to connect to the host computer, most host operating systems (i.e., Microsoft Windows, Mac OS X, and some Linux variants) will handle hot-swapping automatically, so there is no need to power down the host computer between devices

Thanks to the three Tableau T3458is write blockers the drives being copied can be IDE, S-ATA, USB or SCSI in fact all three types can be copied at the same time. The T3458is uses FirewireB to connect to the host so there is no need to power down the system when connecting new evidence drives.

This amazing performance of the TreCorder® is due to the use of only the highest spec components including a Quad Core CPU, 8 GB memory, one 500GB RAID system drive and three 1.0TB RAID image drives.

If you want even more storage space you can connect a portable RAID directly to the TreCorder® via the on board E-SATA port.

TreCorder® is supplied as a dual boot system with Windows XP and Suse LinuxD plus FTK Imager, EnCase Linen and Air Image all pre-installed.

## **Technical Data:-**

- LCD 17" LCD Metal PORTABLE-PC (rugged)
- Mainboard ASUS
- INTEL CORE QuadCore (4x) 2.66GHZ
- DVD R/W slimline
- 1x HDD Seagate 500Gb RAID 7/24, SATAII
- 3x HDD Seagate 1.0TB RAID 7/24, SATA-II in removable trays
- 8GB DDR2 RAM PC1066MHz
- Power Supply 600W
- 3x HDD Fan External
- 3x IDEE Adapter 3.5" to 1.8"
- 3x IDEE Adapter 3.5" to 2.5"
- 3x SCSI Adapter 68pin to SCA
- 3x SCSI Adapter 68pin to 50pin
- 3x FireWire800 (IEEE1394b) PCIe
- 1x USB Cardreader TDA8-M
- Microsoft Windows XP 64-bit & 64bit LINUX
- X-Ways Forensics DEMO, AccessData FTK-Imager
- EnCase Linen, Air-Imager, dcfldd
- 3x Tableau T3458is WriteProtect Bridge\*  
incl. All cable sets

## **Other Products:-**

- Forensic Tools
- Hard Disk Duplicators
- Floppy Disk Copiers
- CD/DVD Duplicators
- CD/DVD Printers
